Through the artistry and virtuosity of guest performers from within the flamenco community, a mosaic of flamenco's traditions and influences will be showcased for all to appreciate.

Guest artists to be featured in Imagenes are Jesus Munoz, José Vega Jurado, and Chayito. Jesus Munoz, a highly accomplished flamenco dancer, has studied under many influential artists including El Torobmo, La Tati, and Charo Cruz. Guitarist Jose Vega "Niño del Puente", an accomplished and young guitarist from Cadiz, the birth place of legendary singer Camaron de la Isla, is a powerful expressionist who regularly performs in the most prestigious Peñas in Spain including " Peña la Perla de Cadiz" and " Peña Camaron de la Isla". With his superb technique and sense of timing, he has played in the most prestigious venues throughout Europe and Canada and has accompanied many famous dancers and singer

Also featured in this engagement is Chayito. She is a singer who has been immersed in the legacy of flamenco since she was an infant. As a member of the founding family of the art of flamenco in Texas, Chayito learned to sing and dance at an early age. Through her success, she has traveled the world, captivating audiences with her heart-felt performances. Most notably, Chayito has had the privilege of singing for Pope John Paul II and the Prime Minister of Sri Lanka.

Also performing are Calgary's own Annette Morcos and Maria Regnier.
